March 6, 2016

Dear Professor Stromquist,

It is my utmost honor to write you this letter to inform you that at its meeting held today, March 6, 2016 on the occasion of the 60th Annual Conference of the Comparative and International Education Society (CIES), in Vancouver, the CIES Board of Directors voted unanimously to award you the title of Honorary Fellow. This is the recognition of the highest distinction by CIES.

You were unanimously recommended by the Honorary Fellows Award Sub-Committee. Your stellar academic attainment and inspiring service to our Society led to this easy decision of both the Award Sub-committee and the CIES Board of Directors. I wish to congratulate you on behalf of Board of Directors.

The privileges of Honorary Membership include membership in the Society at half the normal fee level, and free registration for CIES annual conferences.

The presentation of your award will be made at the Society's 2017 Annual Conference in Atlanta (GA). You are encouraged to make the necessary arrangements to attend this conference.

Your short biography will appear in an issue of the *Comparative Education Review* this year.

The Society hopes that you will continue to contribute relevant papers to the Society's archives at Kent State University, particularly as these relate to the historical development of the Society.

Sincerely yours,

N'Dri T. Assié-Lumumba
CIES President
