

UNIVERSITY OF MARYLAND

Department of Human Development and Quantitative Methodology
Society for Research in Child Development (SRCD)

Conference Presentation Schedule

April 5- 8, 2017

Wednesday, April 5, 2017

9:00am-5:00pm

Cabrera Lab, Austin Convention Center, Meeting Room 10C- Level 3:

Cabrera, N., & Volling, B., (2017, April). *Fathers and Families*. Preconference conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.

12:15 - 1:30 pm

Elisa Klein, Salon D/E; Governor's Ballroom, 4th Floor Austin Hilton

Bridging gaps between developmental science knowledge and application to instructional strategies in teacher preparation programs

4:00 - 6:30 pm

Brenda Jones Harden, Hilton Austin, Meeting Room 406

Zigler Policy Pre-Conference: Social-Emotional Learning

4:45 pm

K.H. Rubin, Austin Convention Center, Room 9B,C

Memorializing Robert Hinde. Invited address. Society for Research in Child Development Peer Relations Preconference.

Thursday, April 6, 2017

9:45 - 11:00am

Wigfield Lab, Austin Convention Center, Exhibit Hall 4

Poster Session: 01 - Education, Schooling

Gladstone, J., Häfner, I., Turci, L., Muenks, K., Kneissler, H., Nagengast, B., & Trautwein, U. Associations between parents' and students' motivational beliefs: The role of gender and age. Poster #86.

Rosenzweig, E. Q., Hulleman, C., Barron, K., Kosovich, J., Priniski, S., & Wigfield, A. Making math matter online: the effects of three utility value interventions on online students' math achievement. Poster #101.

10:00 - 11:30pm

Cabrera Lab, Austin Convention Center, Meeting Room 408

Mincy, R., Cabrera, N., & Um, H., (2017, April). The long-reach of fathers' earnings on children's cognitive and social skills in two-parent families: A mediational approach. In M. Barnett (Chair), *Processes linking father involvement to children's development: How and when father involvement impacts children*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Jones Harden Lab, Austin Convention Center, Meeting Room 12A

West, A., Berlin, L., & Jones Harden, B. (2017, April). The benefits and costs of caring: A mixed methods study of EHS home visitors. In A. West (Chair), *Building a better workforce: What supports are needed for effective early childhood practice?* Symposium presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

Killen Lab, Austin Convention Center, Meeting Room 2

McGuire, L., Elenbaas, L., Rutland, A., & Killen, M. (2017, April). Developmental and normative influences on whether children and adolescents rectify intergroup inequality. In L. McGuire & A. Rutland (Chairs), *Challenging social inequalities and social exclusion: A developmental intergroup perspective*. Symposium conducted at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

Burkholder, A.R., Elenbaas, L., & Killen, M. (2017, April). Wealth and race: Children's inclusion decisions in intergroup peer contexts. In L. McGuire & A. Rutland (Chairs), *Challenging social inequalities and social exclusion: A developmental intergroup perspective*. Symposium conducted at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

11:45 - 1:00 pm

Butler Lab, Austin Convention Center, Exhibit Hall 4

Butler, L. P., Gelman, S. A., & Wellman, H. M. (2017, April). Explanatory responses to preschoolers' requests for information boost their curious exploration. Poster presentation.

Cabrera Lab, Austin Convention Center, Exhibit Hall 4:

Garcia, K., Malin, J., *Language skills of children enrolled in Early Head Start: Is dual language status a risk factor?* Poster presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Rubin Lab, Austin Convention Center, Exhibit Hall 4

Novick, D., Wagner, N.J., Gueron-Sela, N., Bedford, R., & Propper, C. (2017) Parental Attributions of Infant Behavior, Intrusive Parenting and Internalizing in Toddlerhood.

Rubin Lab, Austin Convention Center, Exhibit Hall 4

Wagner, N.J., Hastings, P., & Rubin, K.H. (2017) Callous-Unemotional Features and Autonomic Functioning in Toddlerhood Interactively Predict Externalizing Behaviors in Preschool.

12:00pm-1:30pm

Cabrera Lab, Austin Convention Center, Ballroom G:

Cabrera, N., (2017, April). Panelist in *Creating opportunity and educational pathways for young children: An ongoing conversation*. Invited roundtable symposium conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Fox Lab, Austin Convention Center, Meeting Room 4BC

Troller-Renfree, S., Stevens, B., Buzzell, G., Degnan, K., Henderson, H., & Fox, N.A. The moderating role of cognitive control on the link between behavioral inhibition and the development of anxiety. In Ostlund & Bell's symposium entitled : The cognitive neuroscience of infant fearfulness: Recent advancements and implications for childhood psychopathology.

1:45 - 3:00pm

Rubin Lab, Austin Convention Center, Exhibit Hall 4

Smith, K.A., Danko, C., Felton, J., & Rubin, K.H. Parenting and Friendship Quality Predicting Internalizing Problems Across the High School Transition.

2:00 - 3:30pm

Cabrera Lab, Austin Convention Center, Meeting Room 410:

Cabrera, N., Reich, S., & Kuhns, C., (2017, April). BabyBooks2: A randomized control trial (RCT) to test the effects of a book intervention for low-income mothers and fathers. In N. Cabrera (Chair), *International perspectives on parenting interventions for at-risk families*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Ramani Lab, Austin Convention Center, Meeting Room 16B

Eason, S. H., & Ramani, G. B. (2017, April). Parents' and preschoolers' talk about fractions during playful and didactic activities. In M. Libertus (Chair), *Understanding variability in early home numeracy and its impact on children's math abilities*. Paper to be presented at the Society for Research in Child Development Biennial Meeting, Austin, TX.

Killen Lab, Austin Convention Center, Meeting Room 18D

Killen, M., Elenbaas, L., & Rizzo, M.T. (2017, April). Obligations regarding resource allocations in contexts of social inequality. In H. Rakoczy (Chair), *Children's understanding, acquisition, and challenges to normative expectations*. Symposium conducted at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

3:45 - 5:00pm

Ramani Lab, Austin Convention Center, Exhibit Hall 4

Zippert, E. & Ramani, G. B., (2017, April). *Measuring Preschoolers' early math experiences: What parents say they do, what we observe, and predictors of both*. Poster to be presented at the Society for Research in Child Development Biennial Meeting, Austin, TX.

Killen Lab, Austin Convention Center, Exhibit Hall 4

Blankenship, J. Rizzo, M. T., & Vanderbilt, K. E. (2017, April). Preschoolers selectively trust and selectively share based on the mental states of others. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

Rubin Lab, Austin Convention Center, Exhibit Hall 4

Metin Aslan, O., Smith, K.A., Barstead, M.G., Hastings, P.D., & Rubin, K.H. Family Context Moderates the Relations between Maternal Neuroticism and Parenting Behavior.

4:00pm-5:30pm

Cabrera Lab, Austin Convention Center, Meeting Room 18A

Kuhns, C., Cabrera, N., Garcia, K., & Malin, J., (2017, April). Stress, parenting, and children's social skills among low-income immigrant Latino families: The protective role of social support. In C. Kuhns (Chair), *Contextual determinants of parenting among low-income and ethnic minority children: The role of protective factors*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Cabrera Lab, Austin Convention Center, Meeting Room 18A

Hennigar, A., Aldoney, D., & Cabrera, N., (2017, April). How do low-income Latino immigrant mothers promote their toddlers' inhibitory control? In C. Kuhns (Chair), *Contextual determinants of parenting among low-income and ethnic minority children: The role of protective factors*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Cabrera Lab, Austin Convention Center, Meeting Room 18A

Ochoa, W., Reich, S., Garrard, W., Cabrera, N., & Kuhns, C., (2017, April). What does an ethnically diverse sample of fathers and mothers know about child development? In C. Kuhns (Chair), *Contextual determinants of parenting among low-income and ethnic minority children: The role of protective factors*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Jones Harden Lab, Hilton Austin, Meeting Room 416A

Jones Harden, B., Martoccio, T., Berlin, L. & Cannon, E. (2017, April). Trauma, early parenting, and toddler emotion regulation and behavior problems. In B. Jones Harden (Chair), *Child health and developmental outcomes in the context of parental trauma*. Symposium presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Jones Harden Lab, Hilton Austin, Meeting Room 416A

Morrison, C., & Brown, S. (2017, April). Exposure to trauma and adverse birth outcomes in low-income African American women. In B. Jones Harden (Chair), *Child health and developmental outcomes in the context of parental trauma*. Symposium presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Jones Harden Lab, Hilton Austin, Meeting Room 416A

Cannon, E. (2017, April). The short-term impacts of psychological stress and trauma on young children's socioemotional and language development. In B. Jones Harden (Chair), *Child health and developmental outcomes in the context of parental trauma*. Symposium presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Friday, April 7, 2017

8:00 - 9:15 am

Ramani Lab, Austin Convention Center, Exhibit Hall 4

Daubert, E. N., Scalise, N. R., & Ramani, G. B. (2017, April). *Home mathematics and literacy activities of low- and high-SES caregivers and their preschoolers*. Poster to be presented at the Society for Research in Child Development Biennial Meeting, Austin, TX.

Ramani Lab, Austin Convention Center, Exhibit Hall 4

Scalise, N. R., & Ramani, G. B. (2017, April). *Characteristics of low-income preschoolers' numerical abilities: A latent profile analysis*. Poster to be presented at the Society for Research in Child Development Biennial Meeting, Austin, TX.

Wigfield Lab, Austin Convention Center, Exhibit Hall 4

Turci, L., Wigfield, A., & Eccles, J. "Some kids are just smarter": How parents' beliefs relate to their interactions with children During achievement activities. Poster #105.

8:15 - 9:45am

Cabrera Lab, Austin Convention Center, Meeting Room 14:

Cabrera, N., Malin, J., & West, J., (2017, April). Latino mothers' and fathers' contribution to their toddler's pre-academic skills: Evidence from large and small scale studies. In R. Keizer (Chair), *The role of the father in children's language and cognitive development: Investigating unique pathways*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Tamis-LeMonda, C. S., McFadden, K. E., Escobar, K., & Cabrera, N. C., (2017, April). Father involvement and children's language and cognitive development. In R. Keizer (Chair), *The role of the father in children's language and cognitive development: Investigating unique pathways*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Rubin Lab, Austin Convention Center, Meeting Room 18D

Wagner, N.J., Mills-Koonce, W., Willoughby, M., & Cox, M (2017) Caregiving and HPA axis functioning interactively predict conduct problems and callous-unemotional behaviors in childhood. In N. Wagner and W.R. Mills-Koonce (Co-Chairs), *Biopsychosocial Examinations of Emerging Conduct Problems and Callous Unemotional Behaviors: Multi-method, multi-system analyses*.

10:15 - 11:45am

Jones Harden Lab, Austin Convention Center, Meeting Room 19B

Jones Harden, B. (Discussant). In S. Brown (Chair). Parental history of adversity (ACEs) and child psychopathology: Colorado state, tribal and Early Head Start data. Symposium presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

Killen Lab, Austin Convention Center, Meeting Room 5B

Li, L., Rizzo, M.T., Burkholder, A.R., & Killen, M. (2017, April). Children's evaluations of an unintentional false claim to resources: Age-related changes and intentionality attribution. Paper presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

Burkholder, A.R., Esposito, E.A., & Gunnar, M.R. (2017, April). Cognitive flexibility predicts children's evaluations of an unintentional moral transgressor. Paper presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

12:00 - 1:15 pm

Rubin Lab, Austin Convention Center, Exhibit Hall 4

Rubin, K.H., Hastings, P., & Wagner, N.J. (2017) Children's Autonomic Suppression Moderates Links between Maternal Rejecting Attitudes and Preschool Aggression.

12:00-1:30pm

Cabrera Lab, Austin Convention Center, Governor's Ballroom Salon C, Table 3:

Cabrera, N., (2017, April). Presenting Author in *Lunch with Leaders*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.

12:15 - 1:45pm

Killen Lab, Austin Convention Center, Meeting Room 4BC

Killen, M., Rizzo, M.T., Li, L., & Burkholder, A.R. (2017, April). Fairness, equity, and intentionality: The complexity of resource allocation decisions. In A. Dahl (Chair), The development of moral concepts: From acquisition to application. Symposium conducted at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

2:00 - 3:15pm

Killen Lab, Austin Convention Center, Exhibit Hall 4

Sodian, B., Kristen-Antonow, S., Elenbaas, L., & Killen, M. (2017, April). Understanding of moral intentions in early childhood predicts moral reasoning in elementary school. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

Wigfield Lab, Austin Convention Center, Exhibit Hall 4

Poster Session: 08 - Education, Schooling

Gladstone, J. & Wigfield, A. Motivation for competitive swimming in adolescents: Ethnic and gender differences. Poster #94

2:15 - 3:45 pm

Butler Lab, Austin Convention Center, Meeting Room 18D

Butler, L. P., & Zippert, E. L. (2017, April). Pedagogical demonstration facilitates children's use of counterevidence. In L. P. Butler & K. H. Corriveau (Org.) symposium, Social influences on reasoning from evidence

Cabrera Lab, Austin Convention Center, Meeting Room 9C:

Aldoney, D., Cabrera, N., Malin, J., & Karberg, E., (2017, April). Mother and father playfulness and children's language and emotion regulation: A longitudinal and moderation approach. In S. Anderson (Chair), *Global perspectives on father and mother playfulness and challenging parenting linked to children's social emotional development*. Poster symposium conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Rubin Lab, **Hilton Austin, Meeting Room 406

Barstead, M., Novick, D., & Rubin, K.H. Transactions between Social Withdrawal and Peer Rejection at the Transition from Elementary to Middle School, and Boys Pay More. In H. Gazelle (Chair), symposium, Socially Withdrawn Youth Adapt to School Transitions: Focus on Early Adolescence and Emerging Adulthood.

Rubin Lab, Austin Convention Center, Meeting Room 1

Gueron-Sela, N., Propper, C., Wagner, N.J., Camerota, M., Tully, K., & Moore, G. (2017) Infant Respiratory Sinus Arrhythmia and Maternal Depressive Symptoms Predict Toddler Sleep Problems.

Rubin Lab, Austin Convention Center, Exhibit Hall 1

Smith, K.A., Rubin, K.H., Hastings, P.D., & Henderson, H. Emotion Regulation as a Moderator of the Relation Between Behavioral Inhibition and Social Reticence.

Saturday, April 8, 2017

8:30 - 10:00am

Cabrera Lab, Austin Convention Center, Meeting Room 9B:

Cabrera, N., (2017, April). Panelist in O. Barbarin (Chair), *Supporting parents from diverse backgrounds: lessons from the National Academies report on families of young children*. Conversation roundtable conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Fox Lab, Austin Convention Center, Meeting Room 2

Haas, S.A., Gordon, L.A., Pagliaccio, D., Pine, D.S., & Fox, N.A. Symposium on "Innovations in Eye-Tracking Methodologies to Study Anxiety-Related Threat Biases Across Development." An eye-tracking investigation of the impact of emotion priming on visual search in clinically anxious children. Society for Research in Child Development. Austin, TX, April, 2017.

Killen Lab, Austin Convention Center, Meeting Room 5A

D'Esterre, A.P., Rizzo, M.T., & Killen, M. (2017, April). Age-related differences regarding children's evaluations and punishments of accidental and intentional lies. In T. Harvey & A.P. D'Esterre (Chairs), Children's evaluation and production of prosocial and anti-social lies. Symposium conducted at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

10:15 - 11:30am

Killen Lab, Austin Convention Center, Exhibit Hall 4

Noh, J., Jambon, M., Smetana, J., Lee, I. J., & Killen, M. (2017, April). Children's evaluations of necessary harm: The role of authority directives and relationship status. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

Hitti, A., Cooley, S., Elenbaas, L., Rizzo, M.T., Noh, J., & Killen, M. (2017, April). Ingroup bias when evaluating exclusion and inclusion of ethnic outgroup peers. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

10:30 - 12:00pm

Cabrera, Lab, Austin Convention Center, Meeting Room 5B:

Malin, J., & Cabrera, N., (2017, April). Latino toddlers' contributions to their own language skills: The role of being engaged and interested in reading. In L. Smith (Chair), *Vocabulary development in young children: Contributions of child characteristics, the learning environment and bilingual language experience*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.

Killen, Austin Convention Center, Meeting Room 6A

Rizzo, M.T., & Killen, M. (2017, April). The influence of theory of mind in children's ability to challenge gender stereotypes in resource allocation contexts. In K.L. Mulvey & M.T. Rizzo (Chairs), *Social cognition in intergroup contexts: Mental states, theory of mind and moral judgments*. Symposium conducted at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

Killen Lab, Austin Convention Center, Meeting Room 18C

Elenbaas, L. (2017, April). Social knowledge about inequality supports children's moral judgments about access to opportunities. In T.M. Mandalaywala & M. Rhodes (Chairs), *The development and consequences of status representations*. Symposium conducted at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

12:15 - 1:30pm

Jones Harden Lab, Austin Convention Center, Meeting Room 15

Berlin, L., Fisher, P., Jones Harden, B., Berry, M., & Watamura, S. (2017, April). Parenting coaching in Early Head Start: Findings from two expert consultation models. In L. Berlin (Chair), *Parenting intervention in Early Head Start: Findings from new models*. Symposium presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

Killen Lab, Austin Convention Center, Exhibit Hall 4

Li, L., Rizzo, M.T., Burkholder, A.R., & Killen, M. (2017, April). Attributing intentions to a naïve resource allocator in the context of hidden inequality. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

12:30 - 2:00pm

Killen Lab, Austin Convention Center, Meeting Room 8A

Elenbaas, L., Rizzo, M.T., Burkholder, A.R., & Killen, M. (2017, April). Age-related changes in children's perceptions and judgments of inequality of opportunity based on economic status. In L. Elenbaas (Chair), *Perceptions of fairness and social inequality from early childhood through early*

adolescence. Symposium conducted at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

Rubin Lab, **Hilton Austin, Meeting Room 410

K. H. Rubin (Chair), symposium. Three Novel Approaches to Intervening in the Lives of Anxious Young Children.

Rubin Lab, **Hilton Austin, Meeting Room 410

Barstead, M., Danko, C., Chronis-Tuscano, A., Rubin, K.H., O'Brien, K., & Coplan, R. Coming out of Their Shells: A Multicomponent Treatment for Inhibited and Shy Preschoolers Generalizes to a Classroom Setting. In K. H. Rubin (Chair), symposium. Three Novel Approaches to Intervening in the Lives of Anxious Young Children.

2:15 - 3:30pm

Killen Lab, Austin Convention Center, Exhibit Hall 4

Noh, J., D'Esterre, A.P., & Killen, M. (2017, April). Children's understanding of effort and outcome in a resource allocation task: Age related changes. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

2:30 - 4:00 pm

Ramani Lab, Austin Convention Center, Meeting Room 8A

Scalise, N. R., Daubert, E. D., & Ramani, G. B. (2017, April). *Short- and long-term effects of playing card games on low-income children's early mathematics skills*. In B. Hassinger-Das (Chair), Not Just Playing Around: The Role of Toys and Games in Playful Learning. Paper to be presented at the Society for Research in Child Development Biennial Meeting, Austin, TX.

Killen Lab, Austin Convention Center, Meeting Room 12A

Rizzo, M.T., Elenbaas, L., & Killen, M. (2017, April). Children's understanding of moral and conventional norms when allocating resources. In M.T. Rizzo (Chair), The normative basis of children's resource allocations: Novel perspectives. Symposium conducted at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

4:30 - 6:00 pm

Jones Harden Lab, Austin Convention Center, Meeting Room 17A

Berlin, L., Martoccio, T., & Jones Harden, B. Early Head Start plus Attachment and Biobehavioral Catch-up for low-income families: Initial RCT findings. In L. Berlin (Chair), *Community implementation of attachment-based interventions: New frontiers*. Symposium conducted at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

Killen Lab, Austin Convention Center, Meeting Room 5C

Killen, M. (2017, April). Discussant. In M. Echelbarger (Chair), Children and economic exchanges: Competing goals and balancing concerns for others. Symposium conducted at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.
