Memorial Resolution
Roger Folstrom

Be it resolved that on February 8, 2013, the faculty and staff of the College of Education at the University of Maryland honored the life and professional career and acknowledge the death of Roger Folstrom, former faculty member in the Department of Curriculum and Instruction.

Roger Folstrom joined the faculty of the Department of Curriculum and Instruction as Professor and Chair of the Music Education program in 1974. He also served simultaneously as Chair of the Music Department on campus. He provided leadership for Music Education programs throughout Maryland and the region, including a period of time as President of the Maryland Music Educators Association.

From 1977-1998 he served as conductor of the University Chorale during which time the group performed 10 European tours.

Those of us who remember Roger knew him for his quick wit, off the cuff remarks, passion for his field and sharing his knowledge with ANYONE who loved music.

The College of Education is thankful for the services rendered by Dr. Roger Folstrom and extends its heartfelt condolences to his family, friends and colleagues.
