Memorial Resolution
Richard Jantz

Be it resolved that on February 8, 2013, the faculty and staff of the College of Education at the University of Maryland honored the life and professional career and acknowledge the death of Richard Jantz, former faculty member in the Department of Curriculum and Instruction.

Richard Jantz joined the faculty of the Department of Curriculum and Instruction in 1972. During his career at UMCP his focus in teaching and research was in elementary/early childhood and the curriculum area of social studies.

He served in a number of leadership roles in the college, including Coordinator of the NCATE review, Coordinator of Outreach programs, and Assistant Dean for Student Affairs. He was active in his professional associations at the state and national level.

One of his colleagues wrote:
“Dick was an amazing source of knowledge for me. When I joined the Maryland faculty, I found him to be generous in his time and always willing to help colleagues and students navigate the labyrinths of university regulations and practices. There was no easy way to search for needed information in those days. He was also very helpful to me in organizing off campus doctoral programs. He always knew what to do and who to contact.”

Richard retired in 2000 and passed away in 2012.

The College of Education is thankful for the services rendered by Richard Jantz and extends its heartfelt condolences to his family, friends and colleagues.
