ADMISSION TO CANDIDACY FOR DOCTORAL STUDENTS, FALL 2017:
The Application for Admission to Candidacy form is approved by the Department prior to submission to Graduate Studies, Room 1204 Benjamin Building. Graduate Studies recommends to Graduate School the consideration of candidacy. The candidacy papers are reviewed on the 25th day of each month. The Graduate School will notify in writing the candidacy decision to each student effective the 1st of the month.

REGULATIONS
- **Continuous registration** is required. All students must be registered each fall and spring semester for a minimum of 1 credit that will accurately reflect the student's involvement in graduate study and use of University resources. Students who meet the criteria may request a leave of absence by submission of the Request for Leave of Absence form. Master’s and pre-candidacy doctoral students may request a waiver of the registration requirement by submission of the "Petition for Waiver of Continuous Registration" form. Leave of absences and waivers must have Department and College approval. Students who have approved waivers may not use any facility or resources of the University.
- Doctoral students are not permitted to register for 899 dissertation credit until they are advanced to candidacy.
- Pre-candidacy doctoral students may register for 898 "Pre-Candidacy Research" for 1-8 credits (carries 18 units).
- Doctoral candidates, advanced to candidacy, are automatically registered for 6 credits of 899 dissertation credit by the University each fall and spring semester. The credit level is not variable, and cannot be adjusted.
- Students must be registered for a minimum of one credit in the intended semester of graduation, including one of the summer sessions for August degree conferral.
- Doctoral candidates for Summer degree conferral, who have defended, and who have accumulated the required number of 899 dissertation credits, prior to the Summer sessions, may register for 899 dissertation credit (charged by the credit) or 898 pre-candidacy credit or any other credit approved by the student’s advisor, in order to meet the registration requirement for August degree conferral.
- **It is necessary to apply for degree conferral early in the semester of graduation.** If degree requirements are not met in the semester of initial application, the Application for Graduation continues to carry over until graduation requirements are met. However, any student whose time expires before graduation requirements are met will not have their Application for Graduation rolled over. These students will need to submit a "Request for a Time Extension" form and will need to reapply to graduate. There is no fee charged for the Application for Graduation.
- Students are responsible for meeting deadlines when fulfilling final degree requirements.
- Students should check the graduate program that they are enrolled in for applicable deadlines it may have.
- For additional information call the Graduate Studies Office, College of Education, 301-405-2344 or 301-405-2361 or email coe-gradstuservices@umd.edu.
